

## Millora del vocabulari en llengua anglesa

Aquest imprimible està pensat per ampliar el vocabulari d'anglès mitjançant l'expressió oral. Es duu a terme mitjançant un joc ben senzill, format per 27 cartes.

## Funcionament

S'ha de repartir, com a mínim, una carta per alumne. Si el grup és reduït, algun alumne haurà de tenir dues cartes. Comença qui tingui la carta amb el dibuix d'una corona nadalenca, i ha de dir "I have wreath, Who has reindeer?". El company o companya que tingui la imatge d'un ren haurà de contestar ràpidament "I have reindeer. Who has snow globe?". S'haurà de procedir així successivament, fins arribar a l'última carta que enllaça amb la primera. Així s'acaba una ronda, on l'alumne haurà de dir "I have chimney, Who has wreath?". Què us sembla, és divertit, oi?
